Charity benefits from £10,000 giveaway

A charity in Sawtry has benefited from a £10,000 giveaway by a business marking its 10th birthday.

Caresco, which runs two day centres in the village, was given £500 by Almary Green Investments this week.

It was part of a £10,000 fund set aside by managing director Carl Lamb to mark the East Anglian financial firm's 10th anniversary.
